Master of Public Health Intern Position

Job Title: Regional Health Education Intern
Internship Period: Summer 2014 (400 hrs for 10-12 weeks)
Start Date: June 6, 2014
Location: Pasadena, CA
Salary: $15/hour

Duration: June - August
Application Deadline: Friday, March 21, 2014
Kaiser Permanente Southern California Regional Health Education is pleased to announce its Internship Program for current Master of Public Health students. Students who have completed one-year of graduate coursework and have a demonstrated interest in health education, health promotion and wellness, are encouraged to apply. The 10-week internship position is paid, and provides students with an opportunity to develop leadership skills, provide technical assistance to regional projects, and work closely with Senior Consultants, Physician Champions and administrators.

Organization Overview
As one of the nation’s leading nonprofit, integrated health plans, Kaiser Permanente seeks to make positive contributions to communities. The Southern California Regional Health Education (RHE) Department’s mission is to inspire people, inform choices, and improve health through the provision of healthy living resources, programs and trainings throughout the region. Regional Health Education provides educational print materials, programs, technical assistance and support to 13 medical centers, and a variety of community-based organizations, schools, community clinics and hospitals as part of our Community Benefit partnerships.

Position Overview
Under the supervision of the Project Manager, the Regional Health Education Intern will assist in the planning, development, and implementation of 2-4 health promotion projects. Project assignments may include, but are not limited to:

- Conducting needs assessments, evaluating procedures, and determining key project components
- Creating a structured plan for project design or implementation, including a timeline and deliverables
- Participating in community site-visits and meetings to implement, monitor, or assess project needs
- Researching specific subject matter for intern project and/or an ongoing health initiative
- Presenting information to community partners and RHE staff

Interested students should submit the following to: Jennifer.I1.Rodriguez@kp.org
- Cover letter
- Resume
- Transcripts (unofficial acceptable)
